## NEW DATES FOR CLUB CHAMPS

Sun 13<sup>th</sup> Feb & Sun 6<sup>th</sup> March

Hi all  
**Car Art Union Raffle due to be drawn on Wednesday 26<sup>th</sup> January (Australia Day)**

We must remember the reason this raffle was organised was to offset the Workcover costs to our club, these costs were previously paid for by Surf Life Saving Head Office.

However from the commencement of the 2010 - 2011 season these costs are now to be paid for by each Club.

Knowledge of this change was received after the fees for the year were set at our annual management meeting, therefore we were unable to pass these costs on.

We need everyone to support this raffle and request that everyone make a real push to sell their allocated raffle books.

It is imperative that all books, sold or unsold are returned to the club by Sunday 23rd January 2011. Tickets that are not returned will require a Statutory Declaration to be completed.

Regards

**BILL ALLENDORF**  
President

## COACHES CORNER by NICK MARSHALL

The silly season is coming to an end and we are all starting to get ready to go in to another year of school. But just as the silly season ends, Christmas and New Year, the serious season starts. Training is well and truly back in to full swing and we are on the countdown now heading towards Branch and State titles. This summer looks set to be one of big surf and wild weather so please be sure to pack for all conditions whether it be training, Sunday nippers or carnivals.

It's also very important when you come to training that you bring a good attitude. It can make it very difficult for the whole squad to improve if I am spending 90% of my time making sure 10% of the group are doing the right things. So please be aware that we are there as a team and when you misbehave you are putting your team mates at a disadvantage.

Also can we just make sure that we have enough parents at each session for water safety. Clubs all around us are having training forcibly ceased by SLSQ due to a lack of water safety. At this late stage in the season we don't need this occurring. See you at training soon.

Nick

## SURF SPORTS by DARREN SESSARAGO

Hi Nipper Crew,

We're not having a lot of luck recently trying to compete or even train as much as we would like but you can't control surf conditions & weather. This won't stop us from soldiering on though and making the most of the rest of the season.

Things start to hot up now with Carnivals (Junior & Senior) almost every weekend. The Junior Carnivals we are attending are listed below & I would encourage all to let Age Group Liaisons, Age Managers or myself as to which Carnivals & what events you wish to compete in.

Lake training is going well now & a big thank you to Mark Telford who has kindly volunteered to tow the Board Trailer to & from the Club to allow more nippers to participate. As we've said before, the kids that attend these still water sessions are those that benefit & become more & more confident & skillful in the Surf.

CARNIVALS :

Sat 22 Jan	U11-13 Carnival	Nth Burleigh
Sat, Sun 29-30 Jan	Oceans 38 (U14- Open)	Kirra
Sat, Sun 19-20 Feb	U11-14 Branch Titles	Miami

Once upon a time there were four people  
named  
**Everybody**  
**Somebody**  
**Nobody**  
and  
**Anybody**

**Anybody** could have done it but **Nobody** did!

When **Nobody** did it **Everybody** got angry  
because it was **Anybody's** job.

**Everybody** thought that **Somebody** would do  
it but none realised that **Nobody** would.

So it ended up that **Everybody** blamed  
**Somebody** when **Nobody** did what **Anybody**  
could have done in the first place.
